'Joy' of life

Delhi-based artist Vibhor Sogani has recently unveiled 'Joy', a 30 feet tall installation in Dubai Creek Harbour, UAE. The installation is envisioned as an ode to celebrating everything in life that is beautiful, joy-giving and unadulterated. Depicted as a bouquet of balloons, it reflects the ever-changing environment as the passer-by catches a glimpse of themselves in it.

ABOUT US

Architecture + Design remains India's most authentic architectural journal, with over 36 years of innovative, world-class editorial. It is the go-to resource for architects, manufacturers, academics, students, designers and captains of industry. It is the only medium that has stayed attuned to the realities and evolution of the field of architecture. Right from day one since its conception in 1984, Architecture+Design has had a directional approach to make the architect, the manufacturer, the student and the general reader, attuned to the realities in the profession. India's premier journal of architecture, the only one of its kind in the country, has consistently maintained a high international standard while portraying contemporary trends in architectural practice and academics.

The magazine portrays the modern trends in planning, building technology, research and development, project profiles, conservation and environmental issues, product information and much more. Architecture + Design is part of Burda Media India.
