PRIYAM DOSHI

The Bedroom is a playful and trendy bedroom furniture collection that offers handy, quick access open storage to the inhabitant. Making use of production techniques like pipe and metal bending, welding and powder coating, this collection landed Priyam the award.

VIBHOR SOGANI

Inspired by the weaver bird's nest, Casa is a tribute to 'home' in the natural world. The homogeneous blend of burnished beads form a warm, comforting cocoon, whilst the light emanating from the egg-shaped marbled glass adds life to this breathtaking installation by the veteran designer.

HARPREET PADAM

Re-inventing the traditional form, Harpreet Padam brings back the magic of the OLD bidriware boxes, which are made of deep-black oxidised zinc and inlaid with pure silver. Used for storing small valuables, coins, keys or collected ephemera, this ode to the craft of bidriware by the Unlike Design Co. founder was stunning, to say the least.
